

Summary report

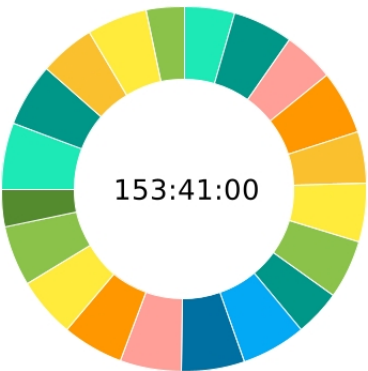

16/10/2025 - 15/11/2025

Total: 153:41:00

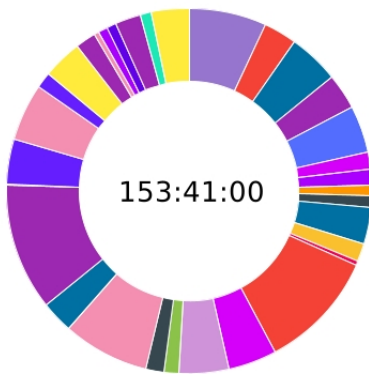

Date

16/10/2025	06:51:06	4,46%
17/10/2025	08:14:34	5,36%
20/10/2025	06:54:00	4,49%
21/10/2025	08:35:00	5,59%
22/10/2025	07:06:00	4,62%
23/10/2025	07:57:00	5,17%
24/10/2025	08:00:00	5,21%
27/10/2025	06:09:00	4,00%
28/10/2025	08:54:00	5,79%
29/10/2025	08:34:00	5,57%
30/10/2025	08:18:00	5,40%
31/10/2025	08:13:00	5,35%
03/11/2025	08:16:00	5,38%
04/11/2025	08:03:00	5,24%
05/11/2025	05:11:00	3,37%

06/11/2025	09:03:00	5,89%
07/11/2025	08:29:18	5,52%
12/11/2025	07:35:00	4,93%
13/11/2025	08:14:02	5,36%
14/11/2025	05:04:00	3,30%

Description

Testing Printlane Integration	10:29:40	6,83%
Lifesizer Feedback implementation	04:36:00	2,99%
Setting up the development environment.	06:54:00	4,49%
Add an option to set maximum board width	04:50:00	3,14%
Change the height setting	06:24:00	4,16%
Change the thickness of the white boarder around fotos to 3 mm	02:19:00	1,51%
Limit photo editor abilities	02:08:00	1,39%
Adding a photo via drag and drop is not working.	01:24:00	0,91%
Estimate first: Is it possible to use cm instead of mm to let the end customer set the height?	01:34:00	1,02%
Estimate first: give the end user the possibility to zoom into the processed photo	04:59:00	3,24%
It should not be possible to set the height to a value higher then the max value for the product	02:25:00	1,57%
Make it possible to exit the photo editor	00:35:00	0,38%
Estimate first: On resolution problems, display the customer image in true size	16:12:00	10,54%
Estimate first: Resolution check in two tiers	06:38:00	4,32%
Estimate first: If image is to wide for selected product, suggest different products	06:47:00	4,41%

● Make the preview window of the photo editor bigger so the end user can see their picture in more detail	01:59:00	1,29%
● The error triangle	02:28:00	1,61%
● Estimate first: Shopping cart	11:48:00	7,68%
● Link to contact form in editor	04:20:18	2,82%
● Estimate first: Lifesizer support	17:12:00	11,19%
● Fixes login issues	00:09:00	0,10%
● Deploy to staging env	06:09:00	4,00%
● Fixes webhooks issues	07:44:00	5,03%
● Fixing the style conflict	02:14:00	1,45%
● Fixes uploader issues	05:21:00	3,48%
● Testing after deployment	02:44:00	1,78%
● Documentation for Printlink	00:42:00	0,46%
● Examination maintenance report	01:13:00	0,79%
● Fixes progress bar issues	01:22:00	0,89%
● Fixes unauthenticated access	03:28:00	2,26%
● Sometimes the upload process of a photo stalls at 15%	01:29:02	0,97%
● Management functionality	05:04:00	3,30%
